Spain → Zürich (EU passport, no visa required)

PROFILE

Backend .NET engineer building web applications with .NET 8–10: REST APIs, lightweight frontends and MySQL databases, delivered through GitHub Actions CI/CD. Background in systems administration (ASIR) — Linux servers, Oracle Cloud and Azure — and hands-on experience integrating AI into production apps.

EXPERIENCE

Backend .NET Developer — May 2025 – Present
HumanTech Software

- Built a multi-tenant HR platform from scratch with .NET 10, Blazor and Clean Architecture, now in production.
- Maintained and extended a workforce management platform, delivering new features on a live production system.
- Integrated AI-powered document classification (OCR, field extraction, auto-categorization), cutting paper-based processes by **95%**.
- Built GDPR-compliant digital signature workflows (OTP, click, certificate) with audit trail, reducing signature turnaround by **80%**.
- Generated structured PDF documents for end users, such as time-tracking records and legal document templates.
- Containerized the full development workflow with Docker, with GitHub Actions CI/CD to Linux servers.

Software Engineer — May 2022 – May 2023
Correcto · Startup

- Built responsive web platforms with Angular and JavaScript in an agile startup environment.
- GCP deployments and cross-functional teamwork using Jira.

EDUCATION

Full Stack Developer Program — 2021 – 2022
Upgrade Hub · Madrid, Spain

Intensive bootcamp in web development: JavaScript, React, Node.js, REST APIs, SQL and NoSQL databases and Git, with team projects in an agile workflow.

Higher Technical Diploma in Network Systems Administration (ASIR) — 2018 – 2020
IES Fuengirola Nº1 · Málaga, Spain

Two-year official vocational degree: Linux and Windows Server administration, networking, databases, web servers, virtualization and IT security.

SKILLS

Backend: C#, .NET 8–10, ASP.NET Core, REST APIs, Entity Framework Core, Blazor, Clean Architecture, unit testing (xUnit)

Databases: MySQL, PostgreSQL

DevOps & Cloud: Git, GitHub Actions CI/CD, Docker, Linux, Oracle Cloud (OCI), Azure, GCP

AI & Documents: LLM integrations, OCR document classification, PDF generation (QuestPDF), digital signatures, GDPR

Ways of working: Scrum, code reviews

LANGUAGES & INTERESTS

Languages: Spanish (native) · English (B2) · German (A1, learning)

Interests: Team sports · Volunteering
